## **ADVENTURERS**

*I wanted something different; I wanted something that challenged me and that pushed me further. Then this idea of climbing Mount Everest came to my mind. It stuck in my head for days. Someone told me I couldn't do it, and that really annoyed me.*

*The first question which you will ask and which I must try to answer is this; What is the use of climbing Mount Everest? and my answer must at once be, it is no use. There is not the slightest prospect of any gain whatsoever.*

*No one remembers who climbed Mount Everest the second time.*

And a perfect disguise above  
Under the cities lies a heart made of ground  
But the humans will give no love  
A Horse with no name*

*Percy: After literally an hour's  
ceaseless searching, I have succeeded in creating gold. PURE GOLD!*

*You don't know me; you never knew my heart. No man knows my history. I cannot  
tell it; I shall never undertake it. I don't blame anyone for not believing my history.  
If I had not experienced what I have, I could not have believed it myself.*

*God's sake, look after our people!*

*A short thick-set person, about 5 feet 3 inches high, dark complexion and well-spoken, I formed the impression that Lasseter had been well-educated. At this time he was shabbily dressed.*
