

# Banking Resolution Frameworks: A Comprehensive Comparative Study for Major Jurisdictions

**Collection Editor: Christos Gortos**

---

## **Description**

The purpose of this book will be to assess, from a comparative point of view, the framework governing the resolution of banks in selected major jurisdictions. The benchmark for this comparative work will be the “Key Attributes of Effective Resolution Regimes for Financial Institutions” of the Basel-based Financial Stability Board.

## **About the Editor**

Christos V. Gortos studied, at undergraduate and graduate level, law, economics and finance. Currently, inter alia, he is Visiting Professor in the European Institute of the Saarland University, President of the Academic Board of the Frankfurt-based European Banking Institute (EBI) and member of the Committee on International Monetary Law of the ILA.

## **Submission Requirements**

All chapters submitted should conform to the grammar and formatting guidelines provided by Cambridge Scholars Publishing, which can be viewed here: <https://www.cambridgescholars.com/pages/forms-guidelines>;

Unless agreed with the Editor prior to submission, referencing should be in Chicago;

Any work submitted for publication should be free of copyright restrictions and a statement should be submitted in support of this;

Contributions should be scholarly rather than anecdotal or unverifiable;

Contributions must be wholly in English, excluding footnotes, appendices and short extracts for translation;

While we will perform pre-press evaluations on the collection, we do not provide full proofreading services, so we ask that works are submitted to us in their final, ‘ready-to-go’ form.
