

Issues in Electronic Librarianship

Collection Editor: Okon Edet Ani

Description

The aim of this book is to highlight issues that would promote and sustain electronic librarianship in contemporary academic institutions to enhance efficiency in access and use of information in learning, teaching and research. The book will be useful to practicing librarians, students, teaching staff and researchers.

About the Editor

Dr Okon Edet Ani holds BSc and MSc degrees in Physics from the University of Calabar, Nigeria, an MA in Information Science from the University of Ibadan, and a PhD in Information Science from the University of South Africa, Pretoria. He is currently Deputy University Librarian at the University of Calabar, Nigeria. He has published over 50 articles in reputable national and international journals.

Submission Requirements

All chapters submitted should conform to the grammar and formatting guidelines provided by Cambridge Scholars Publishing, which can be viewed here: <https://www.cambridgescholars.com/pages/forms-guidelines>;

Unless agreed with the Editor prior to submission, referencing should be in Chicago;

Any work submitted for publication should be free of copyright restrictions and a statement should be submitted in support of this;

Contributions should be scholarly rather than anecdotal or unverifiable;

Contributions must be wholly in English, excluding footnotes, appendices and short extracts for translation;

While we will perform pre-press evaluations on the collection, we do not provide full proofreading services, so we ask that works are submitted to us in their final, 'ready-to-go' form.
