

Joining, Staying and Leaving the European Union: Legal, Political and Economic Perspectives

Collection Editor: Manolis Perakis

Description

The contributions of this book join and enrich the modern discussion on the legal, political and economic perspectives of the three stages of a Member State's "circle of life" in the EU: accession, growth and – possibly – exit. What are the essential conditions for a state to become a member of the EU? Is the EU a strict examiner towards all candidates? Where does an infringement of EU fundamental rules and values lead and how efficient the mechanism of Article 7 TEU seems to be after the Hungarian and the Polish cases? Can there be a non-voluntary withdrawal from the EU and how is a secession from a Member State regulated by EU law? These are some of the topics touched by this collective volume.

About the Editor

Manolis Perakis teaches EU Law as Assistant Professor in the Law School of the National & Kapodistrian University of Athens, Greece. He has authored numerous legal monographs and articles. In the past he worked as a trainee in the office of the European Union Court's President, V. Skouris, in Luxembourg. He is also an Attorney-at-Law in Athens and Editor in Chief of "European Politeia" law and public affairs journal.
