

Security Studies: Intelligence and State Policies

Collection Editor: Mehmet Emin Erendor

Description

As it is known that the understanding of security has changed since the end of the Cold War. This understanding has also changed the characteristics of intelligence. States need to improve their securities and its policies with new intelligence tactics. The proposed book will detail this new understanding.

About the Editor

Mehmet Emin Erendor holds a Master's in International Law from the University of Sussex, UK, and received his PhD from the University of Southampton, UK. He is a member of the Department of International Relations at Adana Alparslan Türkeş Science and Technology University, Turkey, and has published on international and cyber security, terrorism, human rights, humanitarian intervention, and international organizations.

Submission Requirements

All chapters submitted should conform to the grammar and formatting guidelines provided by Cambridge Scholars Publishing, which can be viewed here: <https://www.cambridgescholars.com/pages/forms-guidelines>;

Unless agreed with the Editor prior to submission, referencing should be in Chicago;

Any work submitted for publication should be free of copyright restrictions and a statement should be submitted in support of this;

Contributions should be scholarly rather than anecdotal or unverifiable;

Contributions must be wholly in English, excluding footnotes, appendices and short extracts for translation;

While we will perform pre-press evaluations on the collection, we do not provide full proofreading services, so we ask that works are submitted to us in their final, 'ready-to-go' form.
